

Tournament Objectives

The 6th Annual National Diamondback Pharmacy Alumni Golf Tournament supports the Alumni Council's efforts to provide resources for academic and professional enhancement of Florida A&M University pharmacy students. The tournament is a health-promoting, fun event that augments the activities surrounding the 33rd Annual Clinical Symposium (February 26th - 28th). This is all shared in the ambiance of beautiful Tallahassee. Graduates, students, faculty and friends of FAMU are invited to participate and enjoy this exciting outing.

Alumni Role

The National Diamondback Pharmacy Alumni Council (NDPAC), formerly the National Florida A&M University Pharmacy Alumni Council is a 501c3 educational organization composed primarily of FAMU pharmacy graduates and their supporters. The NDPAC works with the FAMU College of Pharmacy to support its programs and activities for students and staff, and helps to maintain its status as a "Center of Excellence".

About Summerbrooke Golf Course

This golf course is renowned for its layout and great variety of exciting holes, doglegs, water carries and rolling terrain. Huge live oaks and pines line the fairways and shade golfers from the sun as they play. Because there are no flat fairways, rolling hills and elevation changes make fairways and vistas especially scenic. Its address is:

The Golf Course of Summerbrooke

7505 Preservation Road
Tallahassee, Florida 32312
850-894-4653

Enjoy the Beautiful Rolling Hills and the Majestic Grand Old Oaks at one of Florida's Most Scenic Golf Courses.

Please fill out the registration form and make your check payable to:

National Diamondback Pharmacy Alumni or NDPAC. Forward checks and registration forms to the address below:

Frank S. Emanuel
8024 Altama Road
